

Chance Gate

A nonprofit business incubator and collaborative created to help Veteran Business Owners Initiative participants gain experience in business ownership and operations.

Chance Gate plans production of uniquely designed gift baskets marketed nationally throughout the Veterans Healthcare system.

Jiffy Jitney Transportation

A nonprofit local transportation service offering veterans the opportunity to gain specialized experience in setting up and managing companies in the transportation field.

VA Support

Veteran Business Owners Initiative maintains a cooperative working relationship with Veterans Health Administration, receiving VA advisory staff support and other in-kind resources

How Donors Can Help!

Veteran Business Owners Initiative is seeking the active financial support of grantors who are convinced of the viability of our mission and committed to the success of America's veterans.
